HOW TO RIDE

Pay for your ride after boarding the commuter bus by purchasing your single ride, round trip, or 10-Ride pass at the fare box on the bus. Fare purchases can only be made with cash. The fare collection system on the commuter bus will accept coins, \$1, \$5, \$10, or \$20 bills. In the event of an overpayment for your fare, the fare collection system will issue credit in the form of a debit change card that may be used for future fares. You will be required to pay your fare or swipe your pass before taking your seat.

Northstar Link Commuter Bus and Northstar Line fare systems are not compatible. You will be required to pay the Northstar Line fare at the Big Lake station.

Please wait for others to exit the bus before boarding.

Certain seats are designated for seniors and people with disabilities. Please surrender these seats when needed by these customers.

Strollers and non-motorized bicycles are welcome. Each bus has bicycle storage available on a bike rack or underneath in the passenger luggage compartment areas.

Remain seated throughout the trip. If there is standing room only, hold handrails in case of sudden stops.

Please wait until the bus has come to a complete stop before leaving your seat.

Park & Ride lots and commuter buses **do not** have restrooms or vending facilities. Northstar Line trains do have restrooms.
